

Garden Grove Unified School District  
**Digital Resources to Support At-Home Learning**

**Q: My child is learning at home. How does my child access instructional materials online?**

**A:** In light of recent school closures resulting from the public health crisis created by the Novel Coronavirus (COVID-19), GGUSD has launched a website with instructional resources to support at-home learning at <https://ggusd.us/covidresources>.

**Q: How does my student access online materials provided by their teacher?**

**A:** All students are provided an online.NET account (example: [20afranco@ggusd.net](mailto:20afranco@ggusd.net)). This account allows students to log into their Google Classroom and access online materials teachers are using in addition to any printed materials provided to your student from their school. It is important that students log in with their Google account to participate and engage in lessons as well as access content resources that are ready and prepared by his/her teacher.

**Q. How does my student access the digital textbooks that teachers are using?**

**A:** Students access their digital textbooks through ClassLink by visiting <http://portal.ggusd.us>.

**Q: My student has a school-issued Chromebook/iPad, how do they connect to the internet at home?**

**A:** Students can change the internet access on their school-issued device to connect to your home internet.

**How to Connect A Chromebook to My Home Internet**

1. Click on the clock at the bottom right
2. Click **WiFi** icon
3. Select home network in window under **SSID**
4. Enter your home network password
5. Click **Connect**

**How to Connect An iPad to My Home Internet**

1. On the Homepage, click **Settings**
2. Click **WiFi**
3. Select your home network
4. Enter your home network password when prompted and **Join**

**Q: I don't have internet at home, what can I do?**

**A:** Local internet providers are providing limited-time free and low-cost wireless internet packages.

**Spectrum** is offering two free months of internet and WiFi services to new customers in households with Pre-K to 12<sup>th</sup> grade students. Spectrum is also offering WiFi hotspots for public use across Orange County in residential and business areas. To find a hotspot, visit <https://www.spectrum.com/wifi-hotspots.html>.
